If any assessment is not paid by the date such assessment becomes delinquent, the Association may file against the delinquent property with the Recorder of Deeds an appropriate instrument setting forth such delinquency. The personal obligation of the then Owner to pay such assessment shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

The Association may bring either an action at law against the person personally obligated to pay the same, or to foreclose the lien against the property and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest as provided and reasonable attorneys' fees to be fixed by the court, together with the costs of such action.

SECTION 9. EXEMPT PROPERTY. Notwithstanding the foregoing, no assessments, charges or liens shall be assessed with respect to unimproved Lots owned by the Developer.

Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

SECTION 11. PROOF OF PAYMENT. The Association, upon request and payment of a service fee set by the Association, shall furnish any Owner liable for any assessment a certificate in writing signed by an officer of the Association setting forth what assessments, if any, which have been made with respect to said Owner's property and which are unpaid.
